CHAMPAGNE

Fresh, light citrus flavours and a fine biscotti or blush colouring are the defining features of a sophisticated Champagne. The bubbles are fine and give a refreshing pétillante crunch on the palate.

WHITE BLENDS & OTHER CULTIVARS

The South African white blend category presently showcases some of the most thrilling wines within the country. This category encompasses two primary styles: Sauvignon Blanc and Semillon blends, and Chenin Blanc-led Mediterranean-style blends, known for their complexity and richness. Additionally, there are various other unconventional styles within this diverse category.

BORDEAUX BLENDS

Red Bordeaux Blends are renowned for their formidable structure and deep, rich flavours. The taste profile often features dark fruits and berries, with plum and blackcurrant being common descriptors, although a diverse array of terms has been applied to capture their complexity. These wines typically boast relatively high tannins, providing a firm structure that pairs exceptionally well with flavourful red meats.
